PHILIP MORRIS INCORPORATED

Law Department Memorandum
Richmond, Virginia

TO: File

Date: 2 February 1984

FROM: Jim Schardt

SUBJECT: PM 893, PM 893 DIV I, PM 893 DIV II

The subject cases were discussed with Dr. Osdene, Richard Thomson, and Susan Hutcheson. It was unanimously agreed that the protection afforded by these cases is adequate and strongly recommended a further division not be filed on original claims 27-32. Susan will discuss the matter with the inventor to determine if there are any reasons to reverse the above decision.
